“ *Mary will always be remembered for her famous Italian spaghetti and meatball dinners served to her neighbors at the lake. She frequently made the creamiest chocolate chip cookies which she shared with friends. She welcomed others into their home and was always a great hostess.*

Mary was the most devoted Minnesota Vikings and Twins fan. Even in her last years she would watch their games to the final moment (even if she was the last one up watching in overtime or extra innings). She could be heard letting out a whoop or holler when her team scored. I am sure her friends at The Waterford will miss her company watching the games and playing Bingo each week.

*We will all miss you.
