### MARY J. DVORAK

Dvorak, Mary J, of Hopkins, Age 96, passed peacefully on December 4, 2022. Survived by her sister Betts Rogers, her nieces and nephews, their children and extended family. Mary grew up in Edina, a village when she first knew it and she continued to live there the majority of her life. She attended the U of M and majored in both Sociology and Art History. Mary worked various jobs over the years, but found her niche later in life working at the Edina Art Center running the front desk and gift shop. She worked there for 27 years and retired when she was 81. Mary enjoyed learning about many different forms of art and she became very skilled at Calligraphy and created beautiful cards and posters. Mary delighted in sharing her family history and stories of the past with others and would do so without missing a detail. She had a special adoration for animals of all kinds and believed they should always be treated with kindness. Mary loved her family immensely and this love was mutual. She will be deeply missed. Memorial Service TBD. In lieu of flowers, please consider a donation to the ASPCA, Homeforlife.org or organization of choice.
