

Mary Anne Hoedeman

January 14, 1932 - February 8, 2024

Hoedeman, Mary Anne (nee Hadlick)

Mary Hoedeman, born January 14, 1932, was born into eternal life on February 8 at age 92. A longtime resident of Edina, her greatest joy was her family. As matriarch of a large, loving family, she modeled commitment, loyalty, hospitality and lifelong learning. Always appreciative of other cultures, she, and her husband of 68 years, Fred, traveled around the world several times and inspired a sense of adventure in us all.

The family cabin in Minong, WI was a gathering place for 45 years, and where Mary taught many how to fish, how to identify mushrooms, berries and wildflowers, led us in song around the campfire, and instilled a deep gratitude for nature.

A talented pianist, Mary shared her gift through the years by teaching, performing on stage, in church, and at community events and with friends and family; we will miss hearing her music and her Steinway will miss her elegant touch.

Born in Minneapolis, Mary attended Annunciation grade school, Academy of Holy Angels high school, and continued her studies at St. Catherine University, Université Laval in Québec, and the University of Minnesota where

she earned a degree in French and was a member of Zeta Tau Alpha sorority.

She is preceded in death by her beloved parents, Elwin and Anne Hadlick, her husband, Fred, and her sister, Rosalie Seidel. Survived by children Paul (Ann) Hoedeman, George (Leah) Hoedeman, Kathy (Tom) Smith, Carla (Bill) Hinkens, Tom (Jasmine) Hoedeman; 14 grandchildren and 18 great-grandchildren.

Visitation will be at The Church of St. Patrick, 6820 St. Patrick's Ln, Edina, MN 55439 on Friday, February 16, at 10:00 am, with Mass of Christian Burial at 11:00 am.

As a remembrance, Mary requested she be kept in your prayers. www.washburn-mcreavy.com

“ So sorry to hear about the passing of our last first cousin on our mother's side (Hadlick). We had many interesting conversations over the years concerning our family history, a passion we shared. She was a very interesting woman, with many gifts and talents, including one that surprised us - a talented fisherman having learned how to fish at an early age by her father (our uncle) Elwin (who we also never envisioned being a fisherman). We will certainly miss our conversations, her laugh and her stories. May she rest in peace!

“ Sending our love and our most sincere condolences to the Hoedeman family. We are grateful for the opportunity to share some precious moments and memories with Mrs. Hoedeman; weddings, baptisms and even July 4th on Lake Michigan. She was incredibly interesting, with a bright and curious mind. She has no doubt passed those qualities on to her children, grand children and great grandchildren. What a blessing. Sincerely, Colleen, Frank, Emma, Aidan & Evan Suljic
