“ I have great memories of both your mom and your dad as i spent time around your house back in those high school years. I always saw your mom as a kind and gentle spirited lady. Bruce - i remember wiffleball in the back yard. And Jan - I remember that dress. It was nice to see all of you online today. Our prayers go with you.

“ I'll cherish the camping trips, lunch/brunch after church at their house with Grandma cooking in her kitchen and having us stay out! We would pick raspberries around their house and Grandma would share her memories, photos and recipes with us! I will also always remember her peanut butter & butter sandwiches...her one flaw :). She and Grandpa showed so much love to all their grandkids! We will miss her!

“ Dear Bill, Bruce, Richard, Ronald, and Jan,

*On behalf of the family of Ken and Bev Schultz, please accept our deepest condolences on the death of your dear wife and mom. Collectively, we have lots of happy memories of times spent with your family - camping, attending church and having Sunday night "coffee" at your home, Scout meetings, and so many more. Your mom's talents were many and she shared them with others freely - helping with sewing projects, baking goodies, and praising God with her lovely voice.*

*We rejoice that she is with Jesus, but we mourn with you as you grieve this very significant loss.*

*With love,  
Susie Schultz Thompson*
