“ I worked for Howard for a few years during the 70's and we came to be friends. I did not know Mary Jean very well but did meet her a few times. I know that Howard and Mary Jean loved their children with all their hearts and that their lives were devoted to them. I just wanted testify that the line in the obituary that says, "Everyone who knew Mary Jean was happier because of it." is true. I know because I am one of them.
