“ Happy mother's day in heaven! I miss you so much. Was thinking back to when I saved my allowance for so long to buy you the rose clock, for mothers day. I believe I was around twelve. Then feeling so grown up. Then I remembered coloring you a card, oh at like 30. You laughed, asked if I was broke, then told me it reminded you of all the cards we had all made you in our younger years. I remember you in everything and it is so hard. I know you are happy in heaven, I just really lost a piece of me when you went away. I love you Mom
