“*Mary was a wonderful night nurse at Fairview Southdale Hospital on the mental health unit for many years. She was very kind to the patients and gave them great care. She had a wonderful, infectious laugh, and saw the humor in situations rather than the difficulties. Her penmanship was beautiful as noted in all her charting. I enjoyed her and her husband Joe when they attended the unit parties at my home. Both always pleasant and upbeat. It was kind of him to bring her and join us. She will be missed by many. May her memory be eternal. .*
