“ I knew Mary in our grade school years at Corpus Christi School in Roseville. In particular I remember going to her home for her birthday party, at about ten years old? We had such fun...Lots of little girls laughing and giggling together. We were a special bond of sisters in 8th grade. There were 8 girls in a class of 15 boys = 23 students and with our fierce principal, Sister Mary Leo.

Mary was then on to Our Lady of Peace High School on Summit Avenue along with Colleen Duffy, Patty Kromhout and myself. We drifted apart during those high school years. But, Mary is forever in my heart as a sweet & caring classmate.

I send my prayers and deepest sympathies to her family.

Sincerely, Nancy Aiken Kaproth
