“ So sorry for your loss. I had Ms. Lindholm for Cooking A-Z class at Mounds View High School 30 years ago now. She was a wonderful, caring, and patient teacher, with a class full of 9th to 12th graders, cooking implements and other dangerous things. She approached every day with a smile and great sense of humor.

“ I will always remember Mary Lou's bright smile at family gatherings. That kind smile had a welcoming feeling and her easy conversation with a few light quips kept me smiling as well. Thinking of you all during this time.
