“ *Mary Ann was a strong independent women. I recall her calling for badges and when she know it was me picking up the work phone. She'll giggle and make up a joke. There's days when I would sit at the front desk and she'll walk up to have a conversation with me. I am grateful to have met and known her through work.*

I will miss you, and every day when I get here to start my day at work. There will always be an empty giggle that won't be the same. Thank you my friend, forever in my heart.

My condolences to the family.

*Sincerely,
Lue*

Mary Ann I will miss you and your smile. You were my fifth sister and always fun! I remember you taking us "up town" with you to the local grocer in Swanville. It was a big deal and you didn't know it. I'm going to miss you.

Mary Ann will be missed by all of us at SJM/Abbott Woodridge facility. She knew us all by name and would come on the run any time something was needed. I personally talked with her daily and we loved to share our stories with each other. I will miss her everyday. I looked forward to hearing her giggle on a daily basis. She brought a bright spot to many people each day. Mary Ann was a very hard worker and proud of her excellent work. I am honored that I have been able to work with her all of these years. She took very good care of the R&D team and we are all very grateful to her. I think of her as my friend and co-worker. I am so very sorry for your families loss.

Mary Ann our last texted was three weeks ago. I said to you. Hang in there you're a tough cookie. You said I WILL FACE IT HEAD ON WHATEVER IT IS! I will miss your smile, laugh (giggle) and especially your kind words asking-making sure how's my brother and friends doing with their cancer. You will be truly greatly miss and always in my heart. RIP sweet Mary Ann.

Praying and sending my condolence to the family.
