“ Mitch, in your time of need I pray that God will hold you calmly and lovingly in His firm grip.

It is those times when THE rainbow seems farthest away that we are closest to the LORD...when we are once again reminded that His love IS the only way. It is those moments when we feel most alone that we hear His gentle voice whispering, "take MY hand, dear child, its going to be okay." For only then does our troubled heart allow us to trust a humble SHEPHERD.

“ God will make a way, when there seems to be no way, He works in ways we can not see, He will make a way for thee, He will be your guide, hold you closely to His side, with love and strength for each new day He will make a way. Yes He will make a way.

This song has been our prayer for all of you.

It has been a blessing to have known Mary and to have prayed with her and to have learned from her and to have shared in the last 15 months on caring bridge with all of you.

Our lives have been touched by God in a profound way through all of you. We will continue to lift you all before the Lord, and wait for our Lord's return with you. "Behold I am coming quickly".
