“ I was very sad to see Mary had died. She was such a lovely lady. My Mom is at the Marian Center and they were table mates. When I was there for my Mom she would always ask why I was not eating and concerned about me. She always looked so nice and we commented about her polished nails. I would have never guessed she was almost 99 years old. My sisters and I always said how really sweet she was and are very sorry for your loss. Kathy
