“ Dale, John and family, I usually don't scan the obits but for some reason I did and came across your mother's last week. We lost our mother 10 years ago almost to the date of your mom, maybe that's the reason. Know that I am thinking about you and wish for you to remember all the good times with your mom. My dad is still with us and still living in Crystal, if you ever get a chance, stop in and say hi to Roger! May your family and friends be your support and courage during this trying time.
