“ *Ann, I don't know if you remember me, but we played softball together on JD Evans many yrs ago. Although, I did not know your Sister, I am terribly sorry for your loss. It's never easy losing a loved one, but be assured that I am praying for you & your Family. Hope you are healthy & happy. I remember you as always being very cheerful, so count on your strengths & mostly the Lord to ease your grief.*

“ Dear Quinn Family: I would like to extend my condolences to Mary's family and friends. Mary and I overlapped at UI. She was an essential member of the Kappa flag-football team. Mary was always kind and supportive. I feel fortunate to have been her friend. My deepest sympathies to her family.

“ Dear Tim, Megan, Erin and all Mary's siblings and Phil and family: Mary was a wonderful, wonderful spirit and I know you all miss her terribly. I do too. I was so glad to be able to spend those 3 days with Mary and Tim in Arizona a few weeks ago. Mary and I said our goodbyes then. I am sorry I cannot attend the services, but my mother and two sisters will be there as will some of our Kappa sisters. Please know that Mary's spirit lives on and is with us even now as we keep her and all of you in our prayers. With deep condolences, Ann Ursula Loughlin

“ It was so sad to read of Mary's passing in today's newspaper. I was able to read her Caring Bridge history and was sorry to hear of her long struggle. My thoughts and prayers so out to her entire family.

“ So sad to here of Mary's passing. She is in a better place with her Mom, my Mom, Sue, Charley and Jim. With a smile that immediatly comes to my face, I think of the kindness in which Mary always created me...her cousin Margie from that far off land of NY. She always gave me that special warm feeling even though I was from such a distant place. Mary will be missed for sure at our Greer gatherings. So much love from our family goes to you the Donohues in the coming week. With much love, Margie Greer Creamer

“ Love to all the Quinn's and Donohues. it isn't often that you can say you had a friendship that spanned from seventh grade until we were 60. We went to Minneapolis together in 1974, she and Susan stayed, but I came back in 1977. We celebrated every birthday together from 1977 until we moved in 1993. We celebrated when we were single and when we had children. I will miss my friend. See you Wed. Love Annie (Mary was the only one who always called me this).
