

Mary E. Quinn Ross

February 12, 1954 - July 24, 2024

Mary Elizabeth Quinn Ross, age 70, returned home to her Lord and Savior on July 24, 2024, after a life full of love and dedication to her family. She was a St. Paul, Minnesota native who later relocated to Lincoln, Nebraska where she raised her four children in a home where family meant everything. Never someone to complain or ask for much, she devoted her life to supporting others and going above and beyond for everyone around her. While raising her children, she also proudly worked many years in home healthcare administration. True to form, she cared greatly about her clients and their well-being, finding satisfaction in helping others.

Through strong faith, perseverance, and selflessness, Mary found joy in everything she did despite whatever life threw her way, including her battle with cancer. She faced her diagnosis with unwavering courage, always staying positive and believing in God's plan.

She was a constant source of strength and wisdom for family and friends alike, always willing to listen and provide advice or a message of hope. To know her, truly was to love her. She was the heart and soul of her children and grandchildren. In her ability to think and feel beyond herself in every way, she cultivated a special relationship with each family member. She is survived by her children, Denny (Sara), Michelle (David), Kevin (Alex), Melissa (James); twelve grandchildren, Maggie, Matthew, Nora, Kate, Daphne, Charlotte, Olivia,

Bianca, Monroe, Henry, Arthor, and Connell; siblings, Patricia, John (Sam), Donna, and sister-in-law, Diane as well as many nieces and nephews. She is welcomed in heaven by her mother and father, Ann and George; husband, Ron; brothers, George and Jeffery; and brother-in-law, Roger. Mary was a beautifully caring and selfless person who will be deeply missed by all who had the pleasure of knowing and loving her.

“ *Melissa, James and family:*

We are so terribly sorry for the loss of your mother.

Mary was such a kind and gentle person. I am so grateful that I got to know her a little bit and be touched by her light when you lived next door to us on South 34th Street.

Your mother was always taking Daphne and Bianca for walks and just loved those babies so much. She was the kind of grandmother I hope to be someday. A very similar personality to my own mother.

She always spoke to me when I was leaving for work or coming home from somewhere. She always took the time to say hi and we'd have a conversation going just that quickly. She was so easily likable.

She always asked about my father who passed from cancer as well and my mother who has Alzheimer's disease. That's the type of person she was. She cared so much for others. Always shared kindness and concern for what was going on in our lives.

I was blessed to know her and I'm sure she is smiling down and lighting heaven and the great beyond from within.

Our hearts are with you and your entire family!! Much love and peace during this difficult time.
