I'm so sorry to see her obituary tonight. The last time I spoke to her, she said she was in hospital and not doing well. She was my Avon Representative for many years and was always so kind and sweet when she took my Avon order. I was getting worried when I couldn't get ahold of her. I'm so sorry for Jim who always delivered my order. He is such a sweet man and I enjoyed talking to him and always hoped he would make it back home safely. RIP, sweet Judy, you're in the loving arms of Jesus now.
