“ I was so saddened to hear about Mary's passing. Though we hadn't seen each other much over the past years, she was a very important person in my life in the 80's and 90's. I will cherish my memories of our weekend card games, fishing, hanging out up north, and all of the life lessons she taught me. I will miss you friend - the world was a much better place with you in it. Sue Wark Evans
