“*Mary was one of the kindest people I ever met. She was a passionate teacher who cared so deeply about each of her students. She was such a huge supporter of my work as a children's author; it has been so long since I've seen her but when I was signing one of my books today - a book that I had dedicated to her - I remembered her and what a source of love she was. I am sad to learn that she has passed away, but I am happy that she is with Ken again. They loved each other so much.*
