“ My deepest sympathy to the family. I only got to know Mary through our telephone conversations. I deeply regret not taking the time to drive over to meet her in person. I really enjoyed talking to her and always looked forward to her calls. We talked about many things, including her dogs, her family and friends, and her Vet. She always asked about my mother and my family. I do miss those conversations and will always remember the joy that Mary brought into my life. I only recently discovered Mary's obituary when I was preparing to send her flowers for her birthday. She will continue to be in my thoughts and prayers. What a wonderful person!

“ *Arlene and Mike: My condolences. I remember your mother fondly, and you as well, though it has been MANY years. Sorry to hear about Diane as well. Glad to hear of the joy your mom's dogs brought her; animals always having been a big part of my life too. I enjoyed the times we shared in those early years on Meadow Lane.*

When I think of our "LifeTouch Family" it reminds me of wonderful times. “ My sympathy goes out to Mary's family. I worked with Mary and Arlene at Lifetouch for many years and Mary was such a quiet and friendly person. She would join us for coffee in the mornings before we started work and we enjoyed her humor so much. She always put a smile on our faces. May she rest in peace. My prayers are with the family at this time of sorrow. Evie Huber.
