“ *Years ago when I was working as Mary’s office assistant I was going through a divorce. In spite of her busy schedule as a Director of Nursing, she came with me to the court hearing and took me to lunch afterward. At work we coped with our frustrations by humor. Lots and lots of laughter. Mary was a great boss, a trusted friend and joyful companion. I was blessed to have her in my life.*

“ *Mary was a very generous person. When my daughter was going through her cancer treatments, Mary and Bob would bring many home prepared meals to the family. She was a dear friend to me. From Joan McGuire - Bob's first cousin*
