“ Such a beautiful soul! Mary and I shared many a moment in the early seasons of Bachelor, discussing the "finer" points of the show and debating over who should get the final rose. Much laughter always ensued. Unfortunately we lost touch through the years when I left Edina Realty, but she has always remained in my thoughts and in my heart. My condolences to the family and to all who were blessed to have her in their lives.

“ Oh Jay, I'm so very sorry to hear this news. Mary was always a kind friend and wise mentor to me in our days at Edina. And even after that, she was a good pal. I was sorry we didn't stay in better contact over the years but, I will always remember her sparkling eyes and quick wit. Sapa

“ Over the years Mary Vee and I shared wonderful lunches together at our favorite haunts. Mary Vee loved her "sliders" and a nice glass of wine. We discussed many topics, and ended these discussions with "now that we've fixed all the world's problems." Mary Vee will be forever on my mind.

So very sorry! Mary Vee was a neighbor, friend and was a very sweet person. I'm so sorry I was unable to connect with her in the last few years.

Our condolences to you John.
