“ *Mary Weiler was a Saint on Earth. She hard for daughters and family if friends. We al felt her loss. She was an amazing, kind and generous person. She helped me through difficulties by just accepting me as I was. God' blessings and mercy and Love surround her in heaven and on her family and friends.*

“ *Mary was a generous, kind and loving friend. She gave acceptance to many around her. I was blessed to have having her in my life...and undeserving
She included me and helped me. I was grateful to having time around her daughters. I was undeserving of her friendship. She always made me feel welcomed. I think about her and her sweet Annalise and Amanda. I pray Thank You to my Lord and Peace for each of them.*
