“ Mary was one of the few connections I made when my husband was so deep into dementia, and I miss her terribly already. She was so proud of her family, and I am so sorry for your loss. God’s peace, Mary.

“ Mary my friend, I will miss you as my Words with friends partner. I never met you physically but I felt I knew you. Both our husband's had Alzheimers and we had many a conversation of that subject. Fly with the angels Mary and I'll never forget you.
