“ *Janie was such a joy to be around. She always had a wonderful smile. a great laugh and just an all round fantastic person. I have such fond memories of her.*
The good Lord must have needed her more than this ol' earth did. Family and friends, remember all those wonderful times.... THAT is what Janie would want.

Thinking of the family at this time, with love and sending hugs !!

“ *I had the priviledge to work with Janie when she worked direct care and as a unit coordinator.*
Everyone appreciated her high level of organization and support , and her wit and wry sense of humor.
I'm thankful to haver worked with her.
