“*Mary was a lovely and gracious woman. She went quietly about the business of serving others with no need for attention or notice to keep her going. She did it because of her love of the people she worked with and her outstanding work ethic. Mary is such a tremendous loss for so many. My sincere and heartfelt sympathy to Mary's family. I am sure you were proud of her.*

“ I am still in shock with Mary's passing. I worked with her at Wingspan/Skycroft and also knew her personally. She was not only a friend - but she was my mentor in many aspects of my life. She was always kind towards everyone. She treated everyone with the upmost dignity and respect. I truly miss her as I know others will also miss her - especially the clients at Skycroft. The clients were like her children in where she cared about their well being everyday. She took pride in developing the clients and was responsible for many of the achievements and advancements that each of them made with their lives. Mary will be greatly missed - and yet I know she is an angel that God will assign to watch over all of us. My prayers are with Mary's family during this difficult time. God Bless You.
