

Mary Lou Quimby

May 23, 1933 - October 26, 2023

MaryLou Quimby of Edina, MN, passed away peacefully the morning of October 26th, 2023 at the age of 90. Born in Minneapolis, MaryLou was raised in Robbinsdale with her three siblings. She is survived by her five children, Marcia Ortner (Mark), Larry Quimby, Sharon Dillon (Pat), Linda Quimby Batterson (Rick Kaufman), and Dave Quimby (Jacy); her sister, Lorraine Crass; 13 grandchildren; 10 great-grandchildren; and all those who she held near and dear to her heart. She is preceded in death by her parents, William & Anna, her sister Shirley, her brother Robert, and her great-grandson, Zebedee.

MaryLou is remembered by her friends and family as an exceptional entertainer and the true life of the party. She was a masterful chef, serving up mouthwatering dishes at every gathering: from birthdays and holidays to luncheons with her friends on Arbour Avenue. Spiritedly competitive, MaryLou was a member of local golf and bowling leagues throughout her life, and was a longstanding member of her local bridge league. She also enjoyed less official, but equally energized, games of Cribbage and Uno with family and close friends. MaryLou was only retired for the last 12 years of her life: from 1984 to 2011, she worked as a Server at Paul Pearson's Restaurant on 50th Street in Edina where she enjoyed frequent visits from her loved ones.

Family and Friends are invited to celebrate MaryLou on Monday, November 6th, at Washburn McReavy in Edina (5000 West 50th & Highway 100).

Visitation will be at 1:00 p.m., followed by a service at 2:00 p.m., and a social

hour at 3:00 p.m.

Remembrances can be made through contributions to N.C. Little Hospice in Edina, a 501(c)(3) organization, as a thank you to the outstanding team of health care professionals and volunteers who gave MaryLou comfort and peace in her final days. “ *I only had a short time to get to know Mary Lou, but the time we shared she sure was one classy lady and one heck of a card player. She'll be deeply missed by all!!!*
