“ I was very saddened to hear of Mateo's passing. It was a pleasure getting to know him over the past five years. He was one of the kindest people I ever met. I never remember him saying an unkind word about anyone. He often shared how proud he was of his children and what they had done with their lives.

I will miss him a great deal and pray he has found eternal peace. To his children I offer my condolences and hope your memories carry you through this difficult time.

God bless you all,

“ I was really sorry to see Mateo's obituary in the Startribune Sunday paper November 10th. I met Mateo at the church I attend, The United Methodist Church of Peace in Richfield, MN. I know he went to work at Menards and I saw him there a few times. He lived close to the church and I know he rode the bus whenever he needed to go somewhere. He told me he had to leave Menards because of an illness. He was always pleasant to visit with. In case you are wondering where his bicycle is, he said he never used it and he knew I was an avid bicyclist so I bought it from him. If you want it, let me know. It needs some adjustments and a new derailleur, which I have bought but haven't installed it yet. I know he listed his apartment for sale and was looking forward to moving to Texas, but I think he had some family here in the Twin Cities. My name is Cliff Best and my address is 8354 Valentine Terrace, Bloomington, MN 55431.

My e-mail address is cwbnab@aol.com.

God Bless you and your family.

“ I am really sorry to hear of Mateo's passing. Mateo and I met at the LA Fitness in Edina where we both worked out. I has seen Mateo earlier when we both we're members of Bally's in Bloomington. I think it was this fact that lead us to approach each other one day at LA Fitness. From then on, when we both were there at the same time, we would make sure to stop and have a chat or two. I remember him talking about his daughter who was in the army. He talked about moving from a house in Bloomington to his place in Edina. It has probably been well over a year ago when I last saw him. He mentioned that he was looking into the possibility of a new job which he seemed excited about. As things happened, I know I changed my work out times and days so we never saw each other. In fact the other day, it dawned on my that I hadn't seen him in a long while. I wondered how he was doing.

*I'm sorry this is so late. I just saw the obituary in the Star Tribune.
My sincerest condolences.*
