“ Joe and Jocelyn you were truly angels to Joe's mother for so many many years. You have shown all of us how to be kind, faithful, dedicated and to value family, love and each other beyond all material wealth and contemporary trappings. She was a very happy woman because of the two of you as you cradled her in her old age. Thank you so much. It has been your gift to her extended family and to all of us who know and love you. Peg
