

Maureen McCree

February 8, 2009

McCree, Maureen "Mo" Arden Hills, MN. Maureen was a lover of life with a gypsy spirit. After 64 years of near perfect health, she survived breast cancer, heart failure, and a stroke all in the last year and a half. Instead of becoming dependent on family or just staying home, Maureen spent most of 2008 traveling around the world. On the heels of a trip to Venice, Italy, she spent most of the month of January 2009 traveling to Guam and then all over Southern Asia. She barely had time to unpack her souvenirs when she died quickly and unexpectedly at her house in Arden Hills, MN on February 2, 2009, shortly before her 66th birthday. Maureen was preceded in death by her father, Kingsley Anderson, her loving son, Sean McLeod, and former husband and great love, Arleigh McCree. Maureen leaves behind the following loving but broken hearts: Mother Liz Payne; daughter Kellye MacLeod and son Scott MacLeod; granddaughters Kaicy and Shelby MacLeod; niece Jessica Anderson; brothers Ed, Bill, and Robert Anderson; great friends Maggie Murphy, Diane Supernant, and Leslie Mercial; as well as way too many other people to name. Maureen had the gift of bringing out the best in her friends and family. She worked most of her life in benefit plan administration, most recently at Wells Fargo Retirement Plan Solutions in Roseville, MN. Memorial Services will be held in both Minnesota and Calif. California Services will be held the last weekend in March 2009 in Ventura, CA. Memorial Service Saturday, February 14, 2009 at 2 pm with gathering 1 hour prior to service at: Washburn McReavy Strobeck Johnson Chapel 1400 Mainstreet, Hopkins 952

“ *Maureen was step mom to my step brother and sister. She was such a cool, happy go lucky lady. Her and Arliegh definitely lived life to the fullest:)*

“ I just learned that Maureen has passed away last February. My deepest condolences to her family. We were second cousins. Several years ago, Maureen reached out to me and requested information on her Anderson genealogy which I provided. Since then, I have obtained a photo of our great grandparents viz: George and Johanna Anderson of Malmo, Sweden. I would be happy to share this with her family.

“ I don't know whether to feel guilty or joyful that Wayne and I spent most of Maureen's last month with her. Maureen and I had been friends since 1962 but except for the first couple years, we have never lived in the same town, and visits were short and infrequent. We had even lost track of each other a couple of times. Maybe that's part of what made our time together in January so special. We had a wonderful time, first showing Maureen Guam and our home and then traveling and seeing new things together. We shared new experiences and observations and talked for hours about where we were and what we were seeing, and also of things that had nothing to do with the trip. At the airport, before Maureen got on the plane to fly home, we talked about where we might go on another trip. The trip and our time together will be one of my most cherished memories for the rest of my life.

“ Hi Kellye and family-I am one of your mom's neighbors in Arden Hills. I first met your mom when she moved in to our cul-de-sac. I would invite her to our annual Octoberfest Party each year. She did make it to one or two. I didn't get a chance to know her well, but when she would be driving by and I happened to be outside, we would always smile and wave at each other. When I first met your mom, she had a big smile and she reminded me of Mary Tyler Moore. Hold on to all of your precious memories of your mother. I am so saddened to find out today that she had passed away in February. Our prayers are with you and your family at this difficult time.

“Maureen was 'Mom' to everyone- I met her in 1977 in Agoura Hills, CA. when I was very young. I had the honor of knowing her and seeing how much she loved her kids, Kellye, Sean and Scott. She was an incredible lady, full of love, life and laughter and she made everyday shine for everyone, took me in at one time and will never know how much she impacted my life. A beautiful woman and a selfless human being. May she rest with peace and the rest of us keep her memory alive and her family in our hearts! Love you Mo, TJ (Ogden)

“ I am Maureen's neighbor in Arden Hills. It was a pleasure and honor to have known her. She had no problem sharing her joy in life, her love for flowers, and her pride in doing something new and creative in her house. Maureen did not like my dogs (who shared her feelings for some reason) so we met outdoors to talk and catch up on each others lives. I loved hearing about her adventures in travel. I will remember her as the bright, shining star that she was and will miss her in the neighborhood. To Maureen's family - she talked about you often and was so proud of all of you. She always had a story to tell for she loved her family most of all! Susan

“ Kellye, Just last month I had the pleasure of seeing Maureen after 40 years. We had a chance to talk about our Air Force days in the 60's. My wife and I took her around the Philippines and kissed her good by when she left for the next leg of her trip to Bangkok. I will miss her bright red hair and warm sweet smile. God Bless

“ Kellye, It has been many years since I last saw you. I was not able to come to Cathy's daughter's wedding. I wanted to let you know that your mom was very important to me. During all the visits Herb and I made to visit Arleigh and your mom I always felt welcomed and loved by your mom. We had many long talks and she was a source of strength to me. Our oldest daughter is named Elizabeth Maureen after your mom. Kellye you and your brother are in my prayers. It is hard to lose a loved on, but I pray the peace of our Saviour is with you at this time. Love, Maureen

“ Dearest Kellye & Kathy, How blessed you both were to have Maureen in your lives. I remember us sitting on Kathy's deck, when the kids were still young. We laughed and talked for hours. It was the first time I had met Mo. I knew then why my Kathy loved her so much. I am sorry she was taken from you. I know you will never forget her. My thoughts and prayers are with you. Love, Tina

“ I have had the opportunity of meeting Maureen at her step-daughters house. She is my sister-in-law, Kathy McCree Matranga and I just want to say it has been hard hearing her in such deep pain. You see I am struggling with breast cancer. I have been going thru chemo for awhile and Kathy has been my backbone and my strength for all of my Doc. and chemo appointments. She has given up so much of her family time to be their for me and my family, and I know a part of the way she is, is due to the way she was raised. So Maureen I know you're proud, I just wanted others to know how wonderful she is due to people like you and your husband, her father Arleigh McCree. Thanks for being an inspiration in hers and so many others lives.

“ Kellye, my best good friend, I am so sorry about your Mom's passing. I know this is one of the hardest things you'll ever face in life. Its such a blessing to know that your Mom got to travel and enjoy the world before she left us, it could've been, well, it could've been an awful last year, but it wasn't and that's good. We'll all miss her - she was definatly one of a kind (the good kind!) See you soon. Love, Jenny

“ Kellye, I met your mom only once, and even though it was a tough time for you both, you each radiated happiness just to be together! Losing your Mom is probably the hardest thing to get through, but I know your strength and determination (you get that from her) will get you through. She will always be with you watching and guiding you through life's sometimes bumpy road. The Irish tend to do that! Love to you and Kaicey. Kathy Gervais

“Maureen was a beautiful and shining gift to any and all that were blessed with meeting her. She had an amazing talent to make anyone she came into contact with feel special. She listened to you with her whole heart and mind. She always had the best stories to tell and led a life filled with hope, adventure and happiness. Maureen was an inspiration to all she met. I thank her for being a second mother to me and for the many times we shared laughing, telling stories, sharing books and singing songs. Most importantly I thank her for all the times she shared with me in the loss of my Father, even after all these years. They are finally together again... She will never be far from my heart. Love and tenderness always Kathleen

“ *My beloved sister, Maureen, was a fountain of sorrow and a fountain of light, as the man said, and a bottomless well of love and caring for everyone she knew. She was the best sister imaginable. I loved her imperfectly and she forgave me my limitations. I'll remember Maureen laughing.*

“ Mosey was the BEST! she was there for everyone. She was a shoulder to cry on and a second mom to me. She always made me feel important and not just another silly teenager. i used what she taught me about letting people be who they are and loving them for it in the raising of my own children. I love you Mosey, Good-bye for now and God speed.!
