“ I had the pleasure of meeting Mavis through the Pioneers and what a genuine pleasure it was. Never set in her ways and always moving forward...a great benefit to those in our local communities that gained her support through volunteering and always with a beautiful smile. We'll look above for your guidance and you keep smiling.

Pleasure is a word that pops up in the other comments and I too want to say what a pleasure it was to work with Mavis. I got to know Mavis while I was the Qwest management liaison to the Telephone Pioneers several years ago. Mavis was one of the few who devoted countless hours to running the Pioneers and every year she had a way to extract an extra \$35 from me for a Pioneer calendar..... and I never hesitated to pay up. She was a wonderful person to be around.
