“ *Jane and family, I am so sorry to hear about Max. We were next door neighbor's on 96h Street in Bloomington. Dr. Boller was Dave's physician, racketball opponent and friend. Max was the person who helped Dave quit smoking. Our family was very grateful for that. I remember Max grew beautiful dahlias. He also was Dave's heart Doctor. He was an intelligent, kind and caring man and certainly left his mark in life. Joanne Moran*

Joanne, thank you so much for the thoughts and memories. We miss him dearly and told the story of leaving the cardboard dog box with you (to pretend to give Mom's parents a dog one xmas), and Dave replacing it with a bottle of scotch!!! We remember your whole family so very fondly. Mom is doing well and I will show her this message! - annemarie
