“ *Mr. Hovland, Sherril, Susan, & Sandy, Thinking of you all today - I wished I could have been there today to honor and show respect to a special lady. Maxine, as with a lot of our mothers and fathers of our era, had to roll their eyes at our goof-ball teen-age antics back in the sixties. Harmless, for sure, but goof-ball none the less. When I saw Mrs. Hovland a few years back after mass at Immaculate - we spoke of it and - she laughed. Certainly Sherril and I have laughed about it after having teen-agers of our own. I am so glad to have to have known Mrs. Hovland and if I could speak to her and Mr. Hovland, I would say - "good job" on a having had a happy life and having raised a super nice and happy family. The picture you have above of her is exactly how I remember her... great smile. And - my darling friend - Sherril, (friend always), I see your eyes in her eyes. It is a good thing....and I think she would love it. Jan Klempka - Poker Group and forever friend!*

“ Dear Susan, I know how much you love your Mom, that will never end. She will always be your guardian angel, instead of having her here to watch over you, she's always walking next to you...Love, lane
