“ Jeff, Greg, Scott,
So sorry to hear about your mom. I hope you were all able to be together. It's been a long, long time since I have seen your mom, but I have very fond memories of her. She was so caring. I remember one xmas in particular - we were celebrating at Grandma and Grandpa's farm. I remember I wasn't feel very good, and she took me upstairs (Shannah's old room) and sat with me, rubbing my tummy, talking in her soft voice. It's funny what we remember from our childhood, but I always remember her as being very calm and kind. I'm sure she has found peace. God bless you guys and your families in this tough time. I wish you all a warm holiday season, and know that you are all in our prayers.
Love,
Lisa
