“Wow where to start.....so many to share but one that stands out was her swing dancin. While Peter and Charlie would play we would be dancing the nights away. She was so sweet, even when it was my turn to dance with her she never got upset with me when I accidentally stepped on her toes. (With sandals on) her poor toes. But her smile back and comment about it didn't hurt as bad as your fathers. I knew I wasn't the only one that couldn't keep up. We will surely miss you.
Love you
