I had known M.C. just about all our lives. Sorry I didn't know about his passing until now. Loved visiting his home in Arkansas. Praying that the family is comfort by the Holy Spirit . Was in the same class with his brother, Louis, 1963. God be with you all. Love in the name of our Lord and Savior Jesus Christ.

“ Uncle MC I know that you now are at peace. May the God of comfort bless your family as they remain behind to carry on. I believe that everything happens in Gods' time and I know that he has called uncle home to glory. Family celebrate the times and memories that that you have had with uncle because they are so precious and at the same time fleeing. Father we ask that you give us strength for today that we may give you thanks for another day this side of glory and give all my family comfort as you allow us to live our life's out loud. God bless each of you. Love Cousin Melvin Swygert

“ UNC! What Can I say? I can't believe you're gone! I remember the days when we were children and we would get together and the adults would play cards and the kids will be out in the yard playing. I remember you giving us money so that we could go to the store and buy candy and cookies. Now you're in heaven with God and your mom and dad and your sisters. No more pain and suffering just good times with God. I love you unc! You fought a good fight now get your rest! See you when I get there!
