

Meina Louie

September 30, 1954 - April 24, 2022

Meina Louie, age 67 of Forest Lake / Minneapolis, Minnesota. Passed away peacefully on Sunday April 24th, 2022, surrounded by her family.

She was born and raised in China where she met her loving husband Bing. As a young woman she journeyed to Minnesota to pursue a better future, side by side with her husband. She was an incredible woman of strength and resilience who worked hard her entire life. From a young age she worked tirelessly in the restaurant industry. While starting and building a family restaurant, she also worked to reunite her family in the United States.

Throughout her life, Meina was a compassionate and selfless woman who took care of her family. From taking primary responsibility for her mother and raising her son to be the man he is today, Meina was known to put her family above all else, including herself. Her grandchildren were her pride and joy, and her love for them was unparalleled. She had a strong will and even stronger heart. She valued family, health, and character above all else. Her life had a strong correlation between food and happiness, if you had her food, you would know the kind of love she put in to making quality, wholesome, and healthy food that not only fed your belly but also your soul.

Meina was preceded by her parents and parent in-laws. She is survived by her husband, son, two grandchildren, three sisters, niece, and nephews.

“ So Sorry for your loss the Louie Family, sending big hugs to Bing, Kwongman, Mingy, Meisi and Quinmill in this difficult time. Mena worked so hard and was a special Friend. When I was in high school I got out early to work at Cheung Sing. We had a special dinner to honor your boss and Mena came with me. When I told her about this, she came into work with a bunch of dresses (not just a couple) I mean a bunch, she wanted me to pick out which one she would wear! She was so excited to dress up! It was so hard to pick they all looked good! So surprised and such a honor to have her as my guest! Love you guys! Prayers

“ *I never had the pleasure to know your mother. But I can see that she was a busy lady who is worthy of appreciation and was deeply cherished by her family. My brother has always respected your family and his friendship with Kwongman is a testament to an amazing person who was deeply loved by his mother. Sending all our love 💕.*

“ *Kwongman is my son Paul's best friend and many times in years past I had dinner at the Forest Lake restaurant
Meina was always smiling and so proud of her son especially at his wedding.
As a mother she laid the loving foundation for her son and grandchildren.
Meina is now with her mother at peace
Love to you and your family
