“ I'm so sorry to learn of Meleas passing. She was 1 of the first people to reach out to me when I was dx with gastroparesis. I had just spoken with her in January. She touched so many & will be deeply missed. Fly high sweet angel.

“ I am so sorry for your lost. I believe Melea and I communicated a couple or 3 times. I may be wrong. I was looking for someone to take over the GP advocate for GP month in MN. She sounded so sweet, but if I am correct, very overwhelmed. I am so sorry for your loss. She was too young. I am stunned. Please know you are in my heart and on my mind. A GP older sister.
