“ I was so sad to learn about Melissa’s passing. It’s been about 50 years since those years when we were hanging out at The Open Door. I remember her easygoing, thoughtful, fun-loving demeanor very clearly. I wish I had heard that she was in California, somewhere nearby, rather than that it can never happen. My sympathy - and empathy - to those who were closest to Melissa. May her memory bring many smiles through the tears.

“ Melissa and I hung together with Pam Cosmo many a night at the Leslie Street house. The loss of her must be exquisite if you were lucky enough to see her every day. My deepest condolences to her wife, family and beloved pets.

“ I’m so sorry to learn that we’ve lost Melissa.  
I’ve been trying to locate her this summer about a reunion we held  
in August called the Richard M Nixon Memorial Resignation  
Celebration. Melissa was a regular member of the party which was  
celebrated by a group of us who shared a house in Lansing.  
Unfortunately I wasn’t able to track her down. Melissa and I shared  
three different houses together with others over several years in the  
70’s. She was a dear friend and a  
wonderful person. How I wish I had been able to contact her. Rob
