“ I thought about Mel and googled his name when I saw an obituary in my newspaper in Washington state for someone else with the same last name. I worked for him as a shipping clerk while I was in college about 50 years ago. He was a great boss with a sense of humor, the muscular build of a gymnast and the ability to construct or fix just about anything. Please accept my condolences for your loss.

“ Loving, caring and kind man! Would help you do anything....especially if it had something to do with the outdoors. He took me fishing for the first time in Minnesota in September where I caught my first walleye fish. He fried the fish up that night and it was fantastic! Thankful for those memories.

“ To each and every one who came to Mel's Memorial Gathering on Jan 9th, in Eden Prairie Chapel, I want to extend my most heartfelt gratitude and love, for all the support, sharing of memories, memorials, cards, and beautiful flowers. My Family and I were totally overwhelmed, blown away..... by all of you that came.....the parking lot was full of pickup trucks ! The beautiful flowers made the room feel like a celebration of Mel's life.  
With much Sincere Appreciation for everyone, and everything, I, and my entire family say  
THANK YOU ALL. Nancy Luloff
