“ *Mel and I worked together for many years at Mortenson Company. Mel was a great Bricklayer, a fun guy to work with, and a good cribbage player. Many great memories of Mel, he will be missed.*

“ *I've lived across the street from Mel and Marion for 8 years. I talked to them when I was looking at my house, and they sold me on the neighborhood. He was kind, outgoing, and pleasant to be around. We loaned each other tools and he gave me advice on house projects. He lived a long, full life and I'll miss seeing and chatting with him. He truly embodied the "Greatest Generation." We're thinking of Marion and his family, and wish them peace. - Dan Kitzberger and Kara Skahen*
