“ Dear Mooty family, It seems the world has lost a wonderful loving soul and we are joining the ocean of people sending prayers of serenity your way and especially to Mel's beautifully devoted wife Sally, his truly loved children and grandchildren, and his best friend and older brother John. We have been truly blessed to get to know the extended Mooty family through our brother-in-law Chuck Mooty. It is hard to imagine that there has ever been a finer group of brilliant, hard-working, service-oriented, engaging, salt-of-the-earth folks who somehow continue to find ways to make the world a better place and those they touch along the way better people than the extended Mooty family. That outward rippling impact is the true tribute to the lives well lived by these two brothers who ventured off the farm to become lawyers and family men who made a difference and to the wonderful women they married. Bravo! Love Always,
