“ *Mel will never be forgotten. I got to know him a little as he volunteered several times per week and ate lunch with some of us. When he was admitted to the home I was one of his first physical therapy staff. I remember when he got his scooter and we went for a "walk to H.C.M.C" last fall. I was there to check his safety. Everyone at the front desk greeted him and he also said hello to others there. He was an inspiration to us all. I enjoyed working with him. My 14 year old son got to meet him as well because he came last summer to volunteer 2x/week. I am glad to read so many wonderful things about Mel. My sincere sympathy goes out to all his family and friends. Joan W. P.T.A.*

“ *I worked with Mel in physical therapy at Augustana. I saw him on occasion and he could always turn my bad days into good days. To see his name on my schedule brought a big smile to my face because I loved working with him. Mel was one of those 'make you feel good' people and he will be missed by everyone here at Augustana.*

“Mel was an inspiration to us all at Augustana. I will miss seeing his smiling face throughout my work day there. Everytime I walk by his room, I remember a different story from my experiences with him. My favorite was walking with him to see the "banana lady" at the facility's convenience store. Every morning, Mel and I would walk (for therapy) down to see her and he would tell her "I dont need no bananas today" with a big grin on his face. She would always reply, "that's good, let me know when you do." Of course on our way down and back we stopped so he could talk to everyone he knew. Our 5 minute walks turned into 20 minute walks quite frequently. Friendly faces meant everything to Mel. I will never forget him. He was one of a kind.
