“*Mary, Sandy, Linda and Chris: my sincere sympathy to you and your families in the loss of your mother, Merrolyn. It was always very special when I got to talk to her about our shared family history on her mother's side and I always loved getting her family updates each Christmas for many years! “*Our sympathy goes out to all of Merrolyn's family. She was a lovely lady and special cousin. When Vern and I were 1st married and lived in Mpls. she shared Chris's jumping chair with us. You can figure out how long ago that was from Chris's age now. Of course Agnes and Harry were yearly overnight guests with us on the farm by New Richland every year as Grandpa Johnson and my folks lived there. Merrolyn was 13 years older than me, but she would tell of some of the "trouble" she would get into on the farm with some of the animals, etc. when she was young and a "city" girl. We last saw her at Ethel Comas' funeral at Fort Snelling. She was still fun to visit with and we're so glad we had a chance to be together that day. May God Bless her memory.*
