“ Our thoughts and prayers are with you and your family. No words can help the pain you are going through but know you have a lot of people that are by your side and helping you through the pain. Your family has a lot of people praying for you and a community/school that knew Micah.

My son Thomas played football with Micah and that is how our family knew her. We had a few conversations with her about playing football. Thomas talked about Micah a lot that year as she was the first girl to try out for the team and make the team. He would talk about how she could kick the ball really well. These are memories that her classmates will always remember and will share with each other along the way.

Know that tomorrow your family will have so many people that liked, loved and enjoyed Micah's presence. We will all share the love and joy of her life tomorrow and we will be by your side in this most difficult day. We will pray and send a lot of hugs for you and your family.

“ *Our hearts break for the loss of your beautiful daughter. Sam played JV football with her a couple years ago, and has been a teammate of Jonathan's for 3 years. We've talked with him about memories of her. And he remembers her as always smiling and how she handled being the only girl on the boy's football team; how a lot of people didn't realize that the kid who just kicked the football was a girl until she took her helmet off and her blond ponytail popped out. He remembered her talking about her mother, who was from Germany and being of German descent, Sam thought that that was really interesting. There are no words that would grant you peace and understanding, so we will continue to pray for Jonathan and the rest of the Pachi family that they can find comfort in the Lord. Your family has been in our prayers since the day we learned of this tragedy. The pain of losing a child is beyond comprehension. Your beautiful daughter was clearly a remarkable person. The first, and only, girl to play on the football team to date. What a wonderful example to other female athletes out there! Words cannot take away the pain you are feeling with this tragic loss, but know that there are so many praying for you and your precious family. May God bless your family with peace and comfort during this difficult time.
