“ *I loved going up north ice fishing. Laying on the top bunk, watching Red Green, and listening to Uncle Mike and Grandpa Play cribbage. The feeling felt so good. And I'll always cherish that memory with all the others.*

Around 19 years ago we became family when my 2 oldest sons married Mike and Becky's daughters. Over the years we have been to many events and celebrations together. Mike made it to so many of the sporting events our 5 grandchildren were in. Even this spring when we knew his health was not good he was there supporting them. Mike was a good man, husband, father, father-in-law, grandfather and friend.
