“ Mike was one of the most loving, goo hearted guys I ever knew. He would do anything for anyone. I don't think I've seen a man as close to his daughters. He would talk to them as if they were close friends besides being daughters. And oh how he loved those grandkids. He would get this twinkle in his eyes when he talked about them. So good to his mom. He gave her a rough time when he was young but I think he made up for it. It will take a while but some day you'll be able to think of him without the pain. You'll be able to think of him and smile because you got to keep him for as long as you did. Not long enough but like Lana's song, God needed another angel. I love you girls so much and wish I could be there with you. He did a wonderful job of raising you You are all such wonderful girls.

“ Mike was my nephew. His Mom Doris is my sister. No one can know the grief you are feeling nor can we soothe the pain away. Only time and Gods love can do that.
You don't know how much I wish I could be there but I will be there in spirit grieving along with all of you. May each day that passes bring you comfort. I loved Mike because of the love he had for his daughters and his grandchildren and his Mom. I'll add his three brothers, Steve, Dan, and Bob to that. I love you all. May God bless you during this pain knowing that Mike no longer has any pain.

“ *Mike and I coached little girls softball together many years ago. Mike was always happy and positive and was so good with the little girls. I found him a sweet and patient man and the love for all his daughter's was so apparent. Rest in peace Mike. Prayers and peace to his family.*
