“ *Mike was a great friend to all. We appreciated getting to know him through our years at Groveland and my fondest memories were spending time with him and Kristin at the Groveland Galas. Our daughter's became closer through the years through the O'Connor family connection (and Walters) and I'm grateful we could share a weekend or two with them at the cabin with Kristin or at the Dells with O'Connors and us. We hoped for more good times to connect in the past year or two, but the times visiting and seeing the spirit Mike had for life and his strength and Kristin and Lilly and also Mike's family was amazing and were appreciated.*

My favorite memory is when he went down the high water slide (and John O'Connor--good friend) at the Dells! He was a kid a heart! Also, a great supporter and host to Lilly's friends sleepovers!

Thanks for great memories to cherish and also, for enriching our lives. We don't take anything for granted.

Blessings to the Bruhn family

“ I had the pleasure of being a coworker with Mike in the 1980's. I will always remember how upbeat he was and how he had such a great sense of humor. We were all trying to get our careers going and he made each workday fun. I will also remember him talking about his siblings and realizing how close he was to them...To his wife, daughter, siblings and friends, my condolences.

“ To Kristin and Lilly and all the Bruhn siblings, the Florida/California Schneiders send their love and condolences. Mike was an amazing nephew, cousin and friend. We cherish the laughter he brought to our reunions at the lake and elsewhere. We are with you in spirit during these trying times and hope our thoughts and prayers will be felt and aid in bringing some measure of peace. His was a life well lived.
