“ I'm sorry to hear that Mike has passed away. Back in the years that we shared working at Unisys, Mike was a great guy to work with. He was always had a good sense of humor and made work more enjoyable. It has been many years since Unisys, but I always looked forward to catching up with Mike and the gang during the yearly Unisys get together at the Mermaid. I am sure that Mike will be missed by all, and our prayers go to your family. Dale Ridder and Family

“ Mike was a great friend and Co worker at uniysis. We had some great times fishing and were trapped at Saganaga lake when the bridge flooded out about 1976 or so. Our thoughts and prayers are with you.

“ Deepest condolences to everyone affected! It has been some time but Mike was always a motivated person who made things happen instead of waiting for them to happen. He had a great sense of humor and I will always respect him!

“ Hey Carol, remember the Chevy Nova you and Michael had in the late 60s? I doubt that you remember but one time Rich Arndt and I came to visit and we hoped to see a friend who had moved to Bloomington. You loaned us your car so we could get there (we had come up on the bus.) It was your only car as I recall and it was a Friday or Saturday night. What an amazing amount of trust you showed in us. That has stuck with me my whole life. I'm so glad we returned it to you with no damage or tickets. It took a bit of work to drive in the speed limit. That car had some throaty sounding engine. Anyway I remember Michael sending us out with it with a smile on his face. That's who he was, along with so much more. I won't forget. Take care, Dean & Nancy

“ *So sorry to hear of Mike's passing. He was always light hearted and kept us laughing at Unisys. We enjoyed some great fishing trips at Lake Saganaga, end of the gunflint trail. Rest in peace my friend.*
