“ We have so many. Here are a couple:
He stopped at our house so we could take care of his new bike. It had started to rain and he didn't want it to get wet.
He went to Tower Days with us and had too much sweet corn and got a big time bellyache. He thought he should talk to the ambulance folks.
He collected the rubber duckies from Biffs in a special hiding spot and gave them to our grand daughter, Grace, who he had a crush on at the time.
He knocked on the door one time cuz he wanted to see where Sophie (our small dog) slept.
One time, two people in guards uniforms came into Biffs and he wanted me to introduce them. I did, and he proceeded to visit with them, got his picture taken with them and when they said goodbye, they saluted Mikey. He cried in happiness! 💕
So many more we sure miss him!
So sorry we missed his service; had no idea it was happening! 😞
Our condolences to all of the families,
Doug and Doreen Boettcher 💕
