“ We feel so fortunate to have gotten to know Mike for the past seven years living next door to him in our new neighborhood. He was such a kind man & so much fun to talk to. He had me laughing a lot. I think I talked his ear off more than once. We are so lucky to have had him next door. We will miss him more than words can say. Prayers & hugs for Colleen, Ginny and all of Mike’s kids & family.

“ So sorry to hear that Mike passed. He was always a nice guy in school and always seemed to have a smile for people. He sat behind me in band and was a good friend to my cousin Bill. My sincere condolences to his loved ones. R.I.P. Mike!
